Happy Birthday Spikes and Curls!!

Spikes and Curls celebrate their first birthday on Dec 3rd 2006. Celebrations will begin the day before on Saturday 2nd December for staff and customers. "It only seems like yesterday that we were rushing around trying to get the shop ready for our first customers" said Siobhan

Over the last 12 months there have been lots of changes; the shop has grown - we now have even more products for you to choose from, our staff numbers have grown along with our client base meaning that we are busier than ever!!! We are always striving constantly to improve and develop our services, but are keen to

listen to any customers suggestions.

We have cut over 6500 heads of hair since opening. Our ever increasing client base means that appointments are nearly always necessary on weekends, after school and during school holidays. We will always try to accommodate you if at all possible and you can ask to be put on a cancellation list for these busy times.

You will be pleased to know that as from Monday 13th November the shop will be open every Monday to help meet with this demand.

NORTH POLE POST

- send your santa letters at Spikes and Curls

We are delighted to tell you that Father Christmas has contacted us about having a post box in Spikes and Curls!!

From the middle of November your child may post their letters to Santa in the post box. They will be collected by elves and delivered to Father Christmas at the North Pole!!!

If you would like your child to receive a reply from Father Christmas all we ask is that you make a £1 donation to the

MPS Society. The MPS Society is the charity we have supported throughout 2006. The charity helps fund research and supports families affected by incurable, genetic mucopolysaccharide diseases such as Hunter's syndrome. The profits raised from our "North Pole Post " will go directly to the charity. We hope in the process of raising money your child enjoys getting their very own letter from Father Christmas. It takes approx 1 week for letters to get to the North Pole so don't leave it too late!!!

We will let you know if we see any little elves coming to empty the post box!!
